We have two options for how we build our cake. We have our SIGNATURE cakes and PARTY SHEET CAKES.

Signature cakes come in round and sheet cakes. They are tall and consist of 4 layers of cake and 3 layers of filling. Signature cakes can be decorated any way you choose. These cakes are great for customized decorating.

Party Sheet Cakes are built with one layer of cake. Each piece is topped with artisanal toppings. We do not recommend customizing our gourmet sheet cakes because it would affect the toppings we place on each slice. If you would like to customize a sheet cake, your flavor options are limited to basic flavors and you can place your order by calling the bakery.
